What People Are Saying

"We were very impressed by your presentation on the Five Year Plan at our Winter School. It was extremely well received by all. Personally, I found it to be one of the most stimulating and engaging courses on the Five Year plan I have had the pleasure of participating in." **— Geoff Lay, Menucha Schools Committee**

"This is an amazing resource! I had a chance to go through the Five Year Plan slide show and enjoyed it a lot. The rest of the material is also an extremely valuable reservoir of resources for those involved in the core activities." **— Farid Hatami**

"Awesome! Your project is awesome!! I really love it! Fabulous layout and use of graphics! Very clean, flowing and yet packing a punch! Your outstanding project will definitely connect with the users and more effectively entrench their study and understanding of the Plan." **— Aggie Toyoda**

"The joy you infused into the class, evident by the laughter we heard in the kitchen, and the quiet we heard as the groups studied and exchanged their findings was a gift to the participants beyond measure. Your Bahá'í Summer School class on The Five Year Plan was an unqualified success."
— Steve Dighton, Western Oregon Bahá'í Summer School

"I'm inspired. Helps me to recommit...wanna see this every day!!! I like the flow and sequencing along with simple, clear visuals that support, but don't distract, from the ideas. The statements and clarification about children and youth were important for me to remember. Have not seen those quotes and ideas put together so well. Helped me to re-focus my attitude in that service…. I always look for the 'to do' statements so slides #20, 21 and 22 were the crown for me. I also appreciated the honesty about the world situation and then the affirmations about what we Baha'is have to offer...must offer. And I LOVED the questions! Great to see them before and then fill them in after. So can we schedule this here at our next Cluster meeting?" **— Lani Diessner**
