What People Are Saying

"As a neophyte in my understanding of the Bahá'í Faith, I found the Introduction PowerPoint visually beautiful and informationally clear and insightful. Followed by the Central Figures Power Point, which tied together the introduction material and gave us the historical significance of the Bahá'í struggles in modern day society, these two PowerPoints are splendid in their beauty and clarity of message. Wrapping up this bundle of learning with the Proclamation Power Point is a stroke of genius, for it leaves us with the historical significance of the Faith and gives us pause to consider how different the world could be if this advice had been followed. A wonderful trilogy for humans everywhere to learn from." **— Beth Shevin**

"The power points themselves are excellent...the ancillary materials are also outstanding. The more these are in the hands of the friends, the more they will feel confident to lift up their voices and share the potent messages you have captured in these presentations. You are producing the stuff we need to teach the Faith!" **— Bob Harris, Florida**

"The power points introducing the Faith were a great success tonight in Australia. It's the first time I used them, so I thought you would like to know that the Bahá'ís were very pleased with their professional quality." **— Nancy Watters**

"Very respectful and professional. I have seen presentations accompanied by instrumental music. It is very effective when one is going through the Power Point presentation and reading the words. Job well done!" **— Warren Odess-Gillett**

"I gave the fireside last night and it went well. There was only one seeker, but 18 Bahá'ís came in support and many of them had never seen your PowerPoint before. They thought it was excellent. What a wonderful gift you have provided. The PowerPoints make it so much easier to give a clear, focused, and productive fireside. Thank you!" **— Leilani Kollasch**

"A very comprehensive, creative and interesting slide show! I am eager to use this innovative tool in my teaching efforts." **— David Takagi**

"We have downloaded all the power point presentations and they are wonderful! 'So powerful is the light of unity, it can illumine the whole earth.' What greater service can one give. Thank you." **— Cynthia Catches, Director, OCETI WAKAN - Sacred Fireplace, Pine Ridge, South Dakota**
